FAST FACT: DIAMOND BUSES PROVIDE INCREDIBLE COST-SAVINGS & RESALE VALUE. OUR DESIGN ANSWERS THE TWO BIGGEST ISSUES WITH RESELLING A BUS: THE COST OF REPAIRS, AND THE LOOK, OR QUALITY OF THE USED BUS.

FIRST, DIAMOND BUSES DO NOT FADE, AND DO NOT NEED TO BE REPAINTED. YOU CAN RESTORE THE ORIGINAL FINISH BY SIMPLY HAND-WASHING & APPLYING A LIGHT BUFF JOB TO THE EXTERIOR. SECOND, DIAMOND BUSES RESIST DINGS, SCRAPES, BUMPS AND SCRATCHES BETTER THAN METAL DUE TO THE GEL COAT EXTERIOR. AS A RESULT, DIAMOND BUSES LOOK NEWER AT RESALE THAN THEIR COUNTERPARTS.

- RUST FREE
- SMOOTH, QUIET RIDE
- IMPACT RESISTENT
- ±F° SUPERIOR TEMPERATURE EFFICIENCY
