**M2-Series Vista**  
39.5' model shown with Vista package upgrade

**The Ameritrans M2-Series coach brings quality** and higher style to mid-size operators with many exclusive features typically seen on large touring coaches. Offering the smoothest ride in its class, the M2-series provides a wide range of seating options to accommodate up to 47 passengers. And, with spacious interiors, maximized legroom, high-end passenger amenities and many performance engineering features, our M2-series models are designed to set a new standard in mid-size transportation.

- ★ A variety of standard floorplans and build-to-order seating configurations
- ★ 102" wide body
- ★ Cummins engine and air ride suspension
- ★ Low step up front entry for easier passenger access
- ★ Full-welded steel cage construction
- ★ Premium passenger amenities
- ★ Aluminum wheels, electric locks, ergonomic-designed drivers area and more!
