## RAM-tough Power Takes the R330 Series to the Next Level.

Now Ameritrans quality construction, design and style are built on the exciting new RAM 5500 SLT chassis. Featuring a wide range of seating floorplans, the R330 series is the only vehicle in its class to offer the RAM 5500 SLT chassis – renown for durability, performance and power. With large-coach features to support driver operations and amenities designed to maximize passenger comfort and safety, Ameritrans R330 truly take operations to the next level with these key feature highlights:

- ★ Driver information & Navigation System
- ★ Cummins ISB engine
- ★ Aisin 6 speed transmission
- ★ Polished Aluminum wheels standard
- ★ Integrated SmartBrake® control
- ★ 102 inch wide body
- ★ Front tour view windows and much more!
