

Ameritrans M² SERIES

- ★ 37.5'– 42.5' Premier Mid-Size Touring Coach
- ★ ADA Accessibility Options Available

39.5' Model M395

Seating capacity up to 47 passengers plus driver and copilot.

The Ameritrans M2-Series coach brings

premium quality and higher style to mid-size operators with many exclusive features typically seen on large touring coaches. Offering the smoothest ride in its class, the M2-series provides a wide range of seating options to accommodate up to 47 passengers. And, with spacious interiors, maximized legroom, high-end passenger amenities and many performance engineering features, our M2-series models are designed to set a new standard in mid-size transport.

- ★ A variety of standard floorplans and build-to-order seating configurations
- ★ 102" wide interior
- ★ Cummins engine and air ride suspension
- ★ Low step up front entry for easier passenger access
- ★ Sloped "theatre style" floor
- ★ Full-welded galvaneal steel cage construction
- ★ Premium passenger amenities
- ★ Aluminum wheels, electric locks, ergonomic-designed drivers area and more!
