BY EAGLE COACH COMPANY

THE CADILLAC XTS  
RAISED ROOF  
**EAGLE  
REGENCY® LIMOUSINES**

The all-new Cadillac XTS Raised Roof Limousines are destined to set a new standard of excellence.

Based on the all-new Cadillac XTS heavy-duty coachbuilder chassis, it features a 3.6L DOHC V6 engine with 304 hp @ 6800 rpm, StabiliTrak, 1 year of OnStar "Directions and Connections" plan, the CUE Information and Media Control System, and a Rearview Backup Camera, along with Cadillac's Premium Care Maintenance Program.

Whether you choose the 48-inch or the 70-inch Raised Roof Limousine, you'll find a rear passenger compartment that matches Cadillac's style in every detail. The roof has been raised 3 inches to allow ultimate head room, and combined with a high-output, auxiliary climate control system, your families will appreciate the quality and comfort of your new Eagle XTS limousine.

The 70" Raised Roof Eagle XTS provides elegant transportation to your families in their time of need, while also allowing for maximum comfort with features including: a privacy partition, ample leg room, 3" more interior headroom, and personal rear climate and audio controls.

The 70" Raised Roof Eagle XTS offers spacious and comfortable forward and rear facing seats with ample leg and hip room.

The 70" Raised Roof Eagle XTS contains climate and sound controls for the rear passenger compartment conveniently located in an overhead panel.

The 48" Raised Roof Eagle XTS provides spacious rear seating and 3" more interior headroom for maximum comfort.

The 48" Raised Roof Eagle XTS center seat matches the styling of the XTS interior with precise detail and provides maximum comfort for the families you serve.
